Brand Guidelines & Identity System

01 THE IDEA

Keep the door open.

The mark is a lowercase **n** drawn as an open doorway: steady, round-shouldered, built from one stroke. The coral **signal** is the moment a referral partner says "send me something." Nomi exists so the loan officer answers that signal before the door closes. The wordmark carries the name; the n is its shorthand.

02 LOGO SYSTEM

PRIMARY LOGO · WORDMARK

REVERSED

MARK · ICON USE ONLY

Clear space = one signal-dot diameter on every side. **Minimum size:** wordmark 0.75 in / 72 px wide; mark 24 px. **Never set the mark beside the wordmark**: the n would read twice. Use only the supplied files; never retype the wordmark, which is drawn, not set.

03 MISUSE

Recolor the signal · Stretch or squash · Mark beside wordmark · Navy mark on coral

04 COLOR

Harbor Navy	Signal Coral	Paper
#0F2A3D · RGB 15 42 61 Primary. Text, mark, dark grounds.	**#FF5A36** · RGB 255 90 54 Accent only. The dot, one CTA per view.	**#F5F1EA** · RGB 245 241 234 Default background. Warm, printable.
Cleared Green	**Slate**	**White**
#1F7A62 · RGB 31 122 98 Status only: compliance review passed.	**#56677A** · RGB 86 103 122 Secondary text, labels, rules.	**#FFFFFF** Cards and surfaces on Paper.

Approximate balance: Paper 55 · Navy 28 · Slate 10 · Coral 5 · Green 2. **Accessibility:** Navy on Paper 13.2:1, Slate on Paper 5.2:1 (both AA). Coral on light is 2.8–3.1:1, so never use it for text; Navy text on Coral passes at 4.8:1.

06 VOICE & MESSAGE

Nomi gives a lender's loan officers on-brand, compliance-reviewed marketing in minutes, so referral partners get something worth forwarding while the request is still warm.

Credible	Quick	Careful
Plain claims we can prove. No hype words.	Short sentences. Lead with the outcome.	Name the guardrail. Compliance is a feature.

WRITE IT LIKE THIS

"We help lenders keep and win referral partners."

"The lender's compliance team sets the rules; Nomi applies them."

NOT LIKE THIS

"Cut your design team." (cost-led)

"Our LOs" · "our compliance" (lender voice)

We is always Nomi. The lender stays third person: the lender's marketing team, the lender's loan officers.

07 WHERE THE BRAND LIVES

Nomi brand leads	Website, sales deck, lender proposals, product UI, onboarding, social.
Lender brand leads	Every flyer a loan officer sends. The lender's logo, colors and disclosures, plus partner co-branding from the partner tag.
Nomi stays out	Partner-facing collateral carries no Nomi mark by default. The partner should see the loan officer, not the software.
Status color	Cleared Green marks "review passed" in the UI only; it never appears on collateral.

08 ASSET PACKAGE

PNG (transparent, 2400 px) and SVG: wordmark (primary logo) and mark (icon), each in Navy and White. Social icon 1080 and 400 px, Navy and Paper grounds; artwork sits inside the circle-crop safe zone.
